develop extensive teaching on leadership, marriage, worship, commitment, the second coming of Christ, doctrines, and spiritual warfare. We hope to establish a BUZ Mission Agency, a body within the Union which will be responsible for mobilizing funds and sending out missionaries to various countries. Our present needs include a reliable ministry vehicle, an agriculturalist, Christian doctors and nurses to help in our health institutions, and funding for church planting and for our Bible College and leadership development seminars.

The Baptist Union of Zambia pays tribute to the South African Baptist Missionary Society for laying the foundation and to the Australian Baptist Missionary Society for building great work on that foundation. We also pay tribute to our national leaders who worked tirelessly to see the fruition of this work. Their commitment to the work lives on to be fulfilled.
