VITAL RELIGION;

OR,

The Personal Knowledge of Christ.

BY

Rev. G. H. S. WALPOLE, D.D.,

Principal of Bede College, Durham.

"The keynote of this interesting and beautiful book is the thought that religion is essentially the life of friendship and intimacy with God revealed in Jesus Christ. . . . We have no hesitation in saying that Dr. Walpole has given us a work of real spiritual value, and we heartily commend it to all thoughtful readers, especially to those who lament the 'decay of experimental religion.' The present volume is a solid contribution to the solution of the problem how 'to find a basis for faith in actual experience.'"—*Guardian*.

"Dr. Walpole writes with a true moral passion. He pleads for a deeper, more intimate, more vital knowledge of God. Nothing could be more appropriate in a series calling itself 'The Church's Outlook for the Twentieth Century' than a volume like this, that sends us back to the fountain and source of all spiritual life."—*New York Churchman*.

"The perusal of that high-toned book has been to us a source of refined pleasure."—*Weekly Leader*.

"We must congratulate Dr. Walpole on having produced a very valuable work. It is of supreme importance that the personal element in religion should not be neglected, and that due attention be paid to the development of inner spiritual life. Dr. Walpole calls attention to real needs, and he gives excellent advice as to the means of satisfying them."—*Pilot*.

"No one who wishes to follow his argument will regret the half-crown it costs, so exceedingly helpful and uncommon is his treatment of the profoundest of all subjects—Living union with our Living Lord."—*Church Bells*.

"This is a fresh and interesting presentation of a perennially important subject. . . . The book is characterized by a spirit of true devotion to our Lord, and is marked throughout by earnestness of thought and appeal."—*Life of Faith*.

"Contains many new and helpful thoughts."—*Mission Field*.

"It has the tone of sincere and earnest piety and the ring of honest conviction. In other words, we like the book and we like the personality which seems to lie in peace and confidence behind it."—*Saint Andrew*.

"There is a deal of force in the author's words about marriage, the shams of so-called worship, prayer, attitude, and daily duty."—*Family Churchman*.

"Many and weighty thoughts are expressed on the subject, which deserve careful consideration."—*Liverpool Mercury*.

"CHURCH'S OUTLOOK SERIES" NOW READY.**

Crown 8vo., cloth, price 2s. 6d. net.

**THE POSITION
OF THE
LAITY IN THE CHURCH.**

By ALFRED BARRY, D.D., D.C.L.,

Canon of Windsor and Assistant Bishop in the Diocese of London ; formerly Bishop of Sydney
and Primate of Australia.

The object of this work is to examine briefly the true position of the Laity in the Church of Christ, in regard both to rights and responsibilities. This examination renders it necessary to consider that position ideally, as a part of the Apostolic Constitution of the Church of the New Testament and of primitive times, and also to trace in slight outline the historical developments of that position in times past and present, especially in relation to our own branch of the Catholic Church. The task is undertaken under the strong conviction that, with a view both to Church Reform and to Church progress, it is urgently necessary for us to secure for our Church some organization of self-government in which clergy and laity shall be adequately represented and rightly co-ordinated under Episcopal direction.

The following list of contents of various chapters will best indicate the idea and the plan of the work.

CONTENTS.

Preface.

The Apostolic Ideal of the Church.

The Growth of Hierarchical Power in the Early and Middle Ages.

The Reaction against the Hierarchical Power and Re-assertion of the rights of the whole Body of the Church.

The Course of the English Reformation and the Establishment of the Anglican Position.

The Post-Restoration History in the Anglican Communion.

The Present Course of Church Opinion in England.

The Definition of Lay Church Membership.

Conclusion.

"It was in the highest degree fitting that the series of handbooks on current ecclesiastical problems which is in course of publication under the title of *The Church's Outlook for the Twentieth Century* should include a volume on "The Position of the Laity in the Church," and to no one could the writing of it have been more suitably entrusted than to Bishop Barry."—*Record*.

"Canon Barry writes in a simple and popular way, and has done well, we think, in not overloading his pages with notes and references."—*Bookseller*.

"The book before us is a competent and able one."—*Aberdeen Free Press*.

"His book should be widely consulted. He is a very fair-minded writer, urbane in style, and always clear in exposition."—*Sussex Daily News*.

"Canon Barry gives a brief, learned, and clearly written account of the English doctrine as to 'The Position of the Laity in the Church.'"—*Scotsman*.

FEELING AFTER HIM.

Sermons Preached for the most part in Westminster Abbey.

(SECOND SERIES)

By **BASIL WILBERFORCE, D.D.,***Archdeacon of Westminster, Chaplain to the Speaker, Select Preacher before the University of Oxford.*

"The sermons are eloquent and inspiring, and made interesting and instructive by apt illustrations from life and literature."—*Scotsman*.

"What a feast for reflective minds the whole volume provides! It is worthy of the many-sided clergyman whose voice has electrified refined audiences in the venerable Abbey by the Thames, and has in dinner-house poured forth persuasive exhortations into the ears of workmen preparing the edifice for the Coronation."—*Christian Commonwealth*.

"These sermons are quite worthy of his genius, and will stir their readers into nobleness. We heartily commend them."—*Great Thoughts*.

"There is scarcely a dull moment. We can do with more sermons like these as soon as the preacher is ready—the sooner the better."—*Leeds Mercury*.

"The sermons are characterized by the boldness of conception and aptness of expression which we are accustomed to expect in anything Archdeacon Wilberforce says or writes."—*Church Sunday-School Magazine*.

"The sermons are masterly and powerful appeals."—*Hants Advertiser*.

"The book bears on every page evidence of a strong mind, and it has passages of brilliant loquence."—*Sussex Daily News*.

"When Archdeacon Wilberforce comes to practical exhortation he is splendid—earnest, forcible, and fearless. Several of the sermons have special reference to recent national events. The book has much to commend it."—*Aberdeen Free Press*.

"These sermons, preached in the Abbey by the Archdeacon of Westminster, are exceptionally able. They are all thoughtful, vigorous, and inspiring."—*Weekly Leader*.

"Taken altogether, there is much manly, broad-minded, and inspiring teaching in these discussions, and as they are at the same time lit up by many an apt quotation and illustration, they may well furnish an hour or two's profitable reading."—*Oxford Chronicle*.

"We commend the reading of 'Feeling after Him,' which, though coming through a Church luminary, belongs to no Church, but to humanity, breathing forth as it does a wide and universal charity."—*Light of Reason*.

"Instinct with pathetic sympathy for the social side of life, interlarded with poetical quotations and story-lore deftly handled, the Archdeacon's sermons are characterized by light and freshness, and an earnestness, even to enthusiasm, of devotion to the good of his fellow man."—*Family Churchman*.

It binds together the Christians of different denominations, and where brethren have been suffering for Christ's sake it has done a remarkable work. BYGONE DAYS: A Story of Village Life.

By JNO. T. PROCTOR.

THE story is written to illustrate the manners and customs, religion and superstition of Lincolnshire village life in the early part of the nineteenth century, the redeeming and elevating influence of love in the lower circles of human society giving the picture a bright and cheery tone.

Although the characters and places are disguised, neither they nor the incidents narrated are fictitious, but real and drawn from the writer's personal experience. Many of them will, no doubt, be recognised by older people still living in the district.

THE COLLIERS OF WINDY HILL: Crucial Moments in a Welsh Village.

By WILFRID SPARROY,

Author of "Persian Children of the Royal Family."

WHEN the curtain rises Myfanwy Phoenix is dead, but her memory lives on, influencing the lives of her friends at crucial moments. Thus the story is episodal; it is also dramatic, impersonal, a bit of life in a field that is fresh to modern literature. The scene, which is laid in a Welsh colliery village, is suggestive of the Celtic spirit, with its earnestness of outlook and its unswerving faith in the realization of its dreams.
