THE SELF-INTERPRETATION OF JESUS CHRIST.

A Study of the Messianic Consciousness as reflected in the Synoptics.

By the Rev. G. S. STREATFEILD, M.A.

"This is a very useful piece of work, and Mr. Streatfeild has carried out his task in a very satisfactory manner. . . . We have read his book with much satisfaction."

Church Times.

Mr. Streatfeild deals with supremely vital questions connected with the Person of Christ. He has given us a most useful and valuable piece of work. It is written in full view of the latest criticism; it is marked by great clearness of statement and cogency of argument; its footnotes reveal wide reading and a thorough knowledge of the present condition of the problem; while its vigorous presentation of the subject is undeniably attractive. This book is just the one to put into the hands of thoughtful men and women who want not merely to know the answer to a great deal of current criticism, but to have in a convenient form the latest, strongest, and best arguments for Christianity."

NATIONAL CHURCH LEAGUE.

(The Church of England League & National Protestant Church Union.)

'CATHOLIC APOSTOLIC, REFORMED, PROTESTANT.'

President—W. D. CRUDDAS, Esq. Chairman of Council—THE REV. PREBENDARY WEBB-PEPLOE
Chairman of Executive—THE VERY REV. THE DEAN OF CANTERBURY.

THE NATIONAL CHURCH LEAGUE has been formed by the amalgamation of the Church of England League and the National Protestant Church Union.

These Societies have been engaged for many years in the defence and promotion of the Reformed Faith of the Church of England, and have now joined forces for the continuance of the same work.

It is the aim of the LEAGUE to maintain the comprehensive character of the Church of England in the broad and tolerant spirit which has been its glory in the past, while at the same time repudiating errors such as those which the recent Report of the Royal Commission on Ecclesiastical Discipline has shown to prevail to an increasing extent in the Church.

The LEAGUE carries on its work on educational and spiritual lines. It sets forward works of piety and charity in cordial co-operation with all parochial clergy who are faithful to the principles of the English Reformation.

It aims at founding and supporting schools, Training Colleges, and religious institutions for inculcating, spreading, and defending those principles.

It supports the authorities of the National Church in the maintenance of the law, it upholds the Prayer Book and Articles as the standard of doctrine and worship in the Church of England, and opposes the introduction into the services of the Church of anything inconsistent therewith.

It organizes sermons and courses of lectures on Church History and the Prayer Book, establishes branches and arranges Meetings throughout the country, and publishes and circulates literature bearing on Church questions.

Membership of the LEAGUE is open only to members of the Church of England.

The League is not a narrow, a party, or a political Society.

Funds are Urgently Needed for the Maintenance and Extension of its Work.

Vicar of St. James's, Bradford; Author of "The Mission of Evil,"

"Wonderful Words and Works," etc.

Second Year. Enlarged to 48 pages. Subscription, 2s. 6d. post free.

Published in May, August, November, and February.

Its aim is to discover and elucidate that true, spiritual apprehension of Christianity which lies behind all diversities of external presentation. As to the outer, men will always differ. Only through apprehending the inner spirit can the "unity of the faith" be found. To find this, it is necessary to come to a true knowledge of the Son of God, and a true knowledge of what we are in Him; for in Him alone is revealed to us the real ground of our being. This knowledge, which is not of the intellect only, can alone give true peace and unity to the Church of Christ, and unite into one flock the children of God, at present scattered abroad in warring sects and parties.
