JANUARY, 1932.

"SUPPOSE NOBODY CARED"

Suppose
and, alas, it is well-nigh true.

How few care ?

Those cruel deportations meant death to over one million Armenians.

It meant terrible suffering for those who survived.

Tramping miles, eating grass and herbs by the way, no shelter at night.

The wonder is that any are still alive to-day.

The remnant of this ancient Christian nation is scattered in Greece, Syria, and the Caucasus.

Every effort is being made to get the grown-ups into a self-supporting condition.

There are special cases urgently needing assistance. Blind, crippled, or otherwise disabled orphans. Aged widows, many blind, paralytic and decrepit. Then there are thousands of orphans helpless and homeless,

Unless somebody cares.

Will you kindly care ?

Spanish & Portuguese Church Aid Society,

CHURCH HOUSE, DEAN'S YARD, WESTMINSTER, S.W.1

THE SPANISH & PORTUGUESE CHURCH AID SOCIETY endeavours to help the work of the native Evangelical Churches, whose members are unable to accept the unlawful terms of Communion imposed by the Church of Rome. Their work is self-denying and progressive. In town and country they have congregations and schools, and conduct Mission Services. Never at any time were the countries so open to their efforts, and they report sympathy where they formerly met open opposition and persecution. Spain and Portugal were for centuries closed to the circulation of the Scriptures. Through the influence of the printed page and faithful Evangelistic efforts the Churches have come into existence, and all who have visited them testify to their zeal and devotion.

CONTRIBUTIONS, which are urgently needed, will be gratefully received by W. J. MacANDREW, Esq., Hon. Finance Secretary, Church House, Dean's Yard, Westminster, S.W.1.

INCURABLE

- ¶ Men and Women of the **Middle Class** are daily incapacitated by incurable disease brought on by innumerable causes, such as overwork, worry, anxiety, accidents, etc., etc.
- ¶ Such sufferers have been the care and concern of this institution for the past seventy-one years.
- ¶ There are 103 patients in the Home and Hospital at Streatham. The number of pensioners each receiving £26 a year is 311.
- ¶ Increased funds are greatly needed. Will you not help in this work of mercy? It is for a most deserving class—for those who have lost their all in fruitless efforts to regain health and retain independence.

Contributions will be gratefully acknowledged by EDGAR PENMAN, Secretary.

The unobserved Observer

As in the days of His flesh, so now the Lord Jesus—the Unobserved Observer—sits “over against the treasury,” watching the givers and valuing their gifts by a standard of His own.

In His judgment the widow who gave two mites gave the most, for she gave “all her living.” The smaller the amount left for personal use the greater the gift.

Earnest supporters of God’s work recognise that that work must not suffer curtailment now that the £ sterling has only about three-quarters of its former value in the Foreign Mission Field.
