LEPERS IN PALESTINE

LEPER PATIENTS PREPARING FOOD

It is most satisfactory to note that in our Leper Home, Jerusalem, founded in 1867—the patients we are treating for the terrible disease include—**Jews, Arabs & Armenians** and that, thanks to the Christian atmosphere in which they are surrounded constantly, these patients of three nationalities are **dwelling together in amity.** This is only one part of the great work of the Moravian Missions carried on at over 300 mission stations in earth's darkest places.

Do you feel led to send a contribution? **Horace E. Lindsey, Hon. Secretary,**

## The Church on the Prairies

The Diocese of Qu'Appelle has suffered perhaps more severely than any. It has been the centre of the drought area. The Archbishop of Rupertsland (formerly Bishop of Qu'Appelle) was thinking of it when he wrote of the tribulation through which the Church on the prairies was passing and the wonderful faith and hope of the "Noblest and most self-sacrificing" workers which would ensure fruit in due season.

The Society's special field in this diocese is the Caron Herbert Mission. The cost of maintaining it is very heavy. The Committee is convinced that the need *must* be met. Please assist in doing this.

Contributions will be gratefully acknowledged by The Secretary.
