

## **Helpful Worldwide Web Sites**

David W. Baker

There follows a categorized list of Web sites which some faculty members at ATS have found useful. All are to be preceded by the following: <http://> . The only Web site which we endorse is our own ([www.ashland.edu/seminary/seminary.html](http://www.ashland.edu/seminary/seminary.html)), but we hope readers might find value among the others listed. Dr Russell Morton, Research Librarian at ATS, has compiled a very useful site with numerous helpful links at: [www.ashland.edu/~rmorton2](http://www.ashland.edu/~rmorton2). An ongoing resource is the "Internet for Christians Newsletter" at: [www.gospelcom.net/ifc/newsletter.shtml](http://www.gospelcom.net/ifc/newsletter.shtml). By their very nature, Web sites are ephemeral, so some might not still be active by the time you try them.

### **BIBLICAL STUDIES**

Additional sites will be listed in the future, but a useful gateway to numerous sites is found at **The Society for Old Testament Study** at [www.trinity-bris.ac.uk/sots/resources.html](http://www.trinity-bris.ac.uk/sots/resources.html)
