homely truth that if we are to have this deep sense of tranquility about the future on reasonable grounds, those grounds must be that we have done our best to provide for it.

WILLIAM SINCLAIR.

Notes on Bible Words.

No. XVI.—"VIRTUE."

If there be any ἀρετή (Phil. iv. 8): virtus, in the Vulgate; hence our "virtue": "whatever virtue there is;" (Alford). Any particular moral excellence; whatever may rightly be called "virtue."

This common heathen term for moral excellence, ἀρετή, seems to have been studiously avoided by St. Paul; he uses it only here. Is there in this passage, with ἀρετή and ἀναμικνεῖται, a summation? Or (with Bishop Lightfoot) thus: "Whatever value may reside in your old heathen conception of virtue, whatever consideration is due to the praise of men."

This word is used elsewhere in N.T. only in 1 Pet. ii. 9, of God; 2 Pet. i. verse 3 of God, verse 5 of believers.

1 Pet. ii. 9, "... show forth the praises" (marg. or, "virtues")²: perfections. The R.V. has "the excellencies." Sept. in Isa. xliii. 21, here quoted, for "praises" has ἄρετας. (Isa. xlii. 12 and lxiii. 7.) The praises, says Canon Cook, are the recognition of the divine attributes.

2 Pet. i. 3, "... called us to glory and virtue"; marg. "or, by." R.V. "by his own g. and virtue," ἀρετή. "Excellency, says Dr. Lumby; in exact accordance with the usage in the first Ep.: "the manifestation of God's working in and for believers."

Verse 5, "add to your faith virtue." R.V., "in your faith supply virtue." Vulg. ministrate in fide vestra virtutem: ἀρετή δ. ὑμῶν. "Virtue" also stands (A.V.) for δύναμις, power. Mark v. 30, "perceiving in Himself that virtue (δύναμις, virtutem) had gone out of Him": R.V., "that the power proceeding from Him had gone forth." Luke vi. 19; viii. 46: "power."

"Virtue" also stands (A.V.) for δύναμις, power. Mark v. 30, "perceiving in Himself that virtue (δύναμις, virtutem) had gone out of Him": R.V., "that the power proceeding from Him had gone forth." Luke vi. 19; viii. 46: "power."

2 "Praise is the reflection of virtue."—Bacon.

3 Vulg. ut virtutes admuntis (les vertus). "Virtus, properly, by derivation, manliness, courage, and so like the classical ἄρετή), of action, or in ethical sense, excellence. Cf. Wisdom iv. 1.

4 Vulg. propria gloria et virtue. Cf. Hab. iii. 3 and Isa. xlii. 8.
