

The Churchman Advertiser.

JANUARY, 1903.

THAMES CHURCH MISSION.

INSTITUTED 1844.

“Christ Jesus came into the world to save sinners.”

1 Tim. i. 15.

“For though I preach the Gospel, I have nothing to glory of: for necessity is laid upon me: yea, woe is unto me, if I preach not the Gospel!”—1 Cor. ix. 16.

THE Gospel MUST be preached to the perishing souls who, day by day, are working on our Great River, and the Committee of the Thames Church Mission find NECESSITY LAID ON THEM to ask those of the Lord's servants who possess their Master's gold and silver to assist as in their power this imperative command. The Mission has during the past year, from many causes, suffered financially. An urgent need is the reason for this appeal.

THE “DAILY CHRONICLE,” in a leading article on the 26th inst., says:

“There is a general agreement amongst those who place more importance on the spirit of religion than on the letter of religious dogma that a time is approaching, if it has not come, when religious truths require to be restated in the light of a deeper and wider knowledge of the conditions of human life and of the relation of man to nature.”

This restatement has been attempted in the remarkable book,

THE CROWN OF SCIENCE:

The Incarnation of God in Mankind.

By Rev. A. MORRIS STEWART, M.A.

LARGE CROWN 8vo., 224 PAGES. CLOTH BOARDS.

Third Edition - - - - - Price 3s. 6d. net.

THE EXPOSITORY TIMES says: “The intensely spiritual quality of the book invests its dicta, to the receptive mind, with an impressiveness and an authority independent of the startling analogies between natural and spiritual laws which the author discovers in the latest findings of biological science. . . . Compact of thought and expression, it is absorbing in its interest; to sit down to read the first ‘Study’ is to be held until the last chapter has been covered, and to read the book once is to read it again.”

THE CRITICAL REVIEW says: “Mr. Stewart has familiarized himself with the ideas which modern science, physical and mental, has brought to the front; and by the help of these he succeeds in presenting Christian truth under fresh aspects, and illustrating strikingly the unity of thought and life that pervades nature and revelation alike. . . . A book thoroughly modern in its spirit and scope—a book that is not only interesting but most profitable reading. There is not a dull sentence in it, and it will be found most helpful to those who feel, as the author does, the intellectual necessity for correlating the ideas of science with the facts and truths of the spiritual life.”

By **W. F. DAWSON.**

"One of the most appropriate and interesting of the many gift-books which have been produced in readiness for the coming season."—*Church Review*.

"A mine of curious and interesting Christmas facts and illustrations."—*Scotsman*.

"The author has succeeded in producing a popular history written in a readable style, and arranged in such a way as to be a very useful and interesting reference book."—*Manchester Evening News*.

"Both Mr. Dawson and his publisher are to be congratulated upon a happily conceived and remarkably well-timed and well-produced volume."—*Bookseller*.

"Christmas and its Associations' is a book of singular interest, containing a great amount of miscellaneous information, most attractively presented. What Mr. Dawson, the author, does not know about Christmas customs and Christmas memories can hardly be worth mentioning."—*Pall Mall Gazette*.

"Mr. Dawson is evidently an enthusiast in an 'aquarian research, the study of legendary lore, and popular games, such as described in these pages. A specially interesting feature will be found in the illustrations—quaint, beautiful, and often amusing."—*Baptist Magazine*.

PROTESTANTISM BEFORE POLITICS.

URGENT APPEAL FOR £20,000.

The following resolutions were carried unanimously at a Conference convened by the Church Association at the National Club, London:—

“That the results of the last General Election abundantly manifest the advantage to be derived from extending that organisation of the constituencies which the Church Association has already initiated in more than one-half of the English electoral divisions, and that it is to the completion of this organising work that we must look for the return to Parliament of a strong Protestant Party sitting on both sides of the House, and determined before all things to safeguard the Protestantism of the British Constitution.”

“That to efficiently cope with the enormous task of completing the electoral organization where it has already been planted, and extending its ramifications to the remaining counties and boroughs of England, in view of the probable approach of a General Election, a fund of not less than £20,000 will be needed to add vigour to the various Parliamentary agencies of the Church Association.”

The Church Association has already established Protestant “Hundreds” to 244 out of 448 constituencies in England.

The way to make Protestantism a practical force is to create in every constituency in England a Protestant “Thousand.” Where this can be accomplished and a body of determined men held together, it is perfectly certain that sooner or later they will hold the balance of power in the constituencies.

With a view to the formation of a Protestant Party in the House of Commons, it is absolutely necessary that this organization be completed. In order to provide the necessary funds for this great work we appeal to the Protestant public for liberal and generous contributions.

Urgent Appeal to Protestants for Moravian Missions.

(ESTABLISHED 1732.)

The Oldest Protestant Missions to the Heathen—First to the Lepers.

The following are some of many pressing needs for which

Earnest Prayer and Support are Sought.

FOR GENERAL FUND. Largely increased annual help of at least **£4,000**

FOR THE LEPER HOME, Jerusalem, where Inmates have doubled in number, funds are still urgently wanted to defray the cost of the New Water Reservoir, etc.

FOR LABRADOR, hitherto self-supporting, but crippled for a time in its resources, **£2,000** annually is required for a few years, until the Mission can be re-established. For this need, and to avert loss to the General Fund, an **ADDITIONAL** Fund is being raised.

But so serious is the general need for funds that reinforcements have to be detained, extensions forbidden, staffs reduced, salaries and expenditure curtailed, and students in training given to understand that at the end of their course their services may not be required!

CONTRIBUTIONS WILL BE THANKFULLY RECEIVED

and information given by the **REV. W. WETTON COX,** at the Offices of the **LONDON ASSOCIATION,** 7, New Court, Lincoln's Inn, LONDON, W.C., who will also gladly arrange for Meetings, Sermons, Lectures, etc.
