THE POSITION OF THE LAITY IN THE CHURCH.

By ALFRED BARRY, D.D., D.C.L.,

Canon of Windsor and Assistant Bishop in the Diocese of London ; formerly Bishop of Sydney
and Primate of Australia.

The object of this work is to examine briefly the true position of the Laity in the Church of Christ, in regard both to rights and responsibilities. This examination renders it necessary to consider that position ideally, as a part of the Apostolic Constitution of the Church of the New Testament and of primitive times, and also to trace in slight outline the historical developments of that position in times past and present, especially in relation to our own branch of the Catholic Church. The task is undertaken under the strong conviction that, with a view both to Church Reform and to Church progress, it is urgently necessary for us to secure for our Church some organization of self-government in which clergy and laity shall be adequately represented and rightly co-ordinated under Episcopal direction.

The following list of contents of various chapters will best indicate the idea and the plan of the work.

CONTENTS.

Preface.

The Apostolic Ideal of the Church.

The Growth of Hierarchical Power in the Early and Middle Ages.

The Reaction against the Hierarchical Power and Re-assertion of the rights of the whole Body of the Church.

The Course of the English Reformation and the Establishment of the Anglican Position.

The Post-Restoration History in the Anglican Communion.

The Present Course of Church Opinion in England.

The Definition of Lay Church Membership.

Conclusion.

"It was in the highest degree fitting that the series of handbooks on current ecclesiastical problems which is in course of publication under the title of *The Church's Outlook for the Twentieth Century* should include a volume on "The Position of the Laity in the Church," and to no one could the writing of it have been more suitably entrusted than to Bishop Barry."—*Record*.

"Canon Barry writes in a simple and popular way, and has done well, we think, in not overloading his pages with notes and references."—*Bookseller*.

"The book before us is a competent and able one."—*Aberdeen Free Press*.

"His book should be widely consulted. He is a very fair-minded writer, urbane in style, and always clear in exposition."—*Sussex Daily News*.

"Canon Barry gives a brief, learned, and clearly written account of the English doctrine as to 'The Position of the Laity in the Church.'"—*Scotsman*.

The Bishop of Durham writes: "Long have I known and honoured the Evangelical Alliance. It is a grand means for the promotion of the spiritual sympathy and co-operation of Christians of many lands, and a powerful agency for the practical aid of the weak and oppressed, which God has largely used."

The Rev. Preb. Webb-Peploe writes: "Very heartily do I commend the Evangelical Alliance to the Christian public. It binds together the Christians of different denominations, and where brethren have been suffering for Christ's sake it has done a remarkable work. I earnestly commend the Alliance to the attention of Christians, in the hope that they will support it liberally with their gifts and prayers."
