THE PEOPLE'S PSALTER:

A plain Book for those who wish to use the Psalms in Church with intelligence and devotion.

By the Rev. G. W. S. WALPOLE, D.D.

*Examining Chaplain to the Archbishop of York,
Rector of Lambeth.*

This book might well be described as the Church-goers' Psalter, for its object is to give ready help in the Church rather than in the study, to the ordinary worshipper, who oftentimes finds it difficult to give a meaning to the Psalms he is invited to sing, rather than to the student.

It has three features:—

1. A very brief introduction to each Psalm, setting forth its probable origin, its application in the Christian Church, and the use to which it has been or may be put.
2. Clearly-set-out divisions with interpretative headings, so that anyone may be able to see the progress of the thought of the Psalm.
3. Very short explanatory footnotes, dealing with any serious difficulties of the text.

There is, in addition, an introduction showing how the Psalms may be used. In this the author divides them into four great groups: (1) Messianic, (2) Social, (3) Missionary, (4) Devotional, and his endeavour is to show how the Psalms, whether as Intercessions, Thanksgivings, or Meditations, meet the needs and difficulties of the present day, and provide a ready means for lifting them out of their earthly surroundings into the spiritual atmosphere of God. The principle adopted in their interpretation is to ground it on the original historical foundation, where it may be known, and it is hoped that in this way any serious criticism of it as mystical or extravagant may be met. The outline, for such only it is, will need thought and attention, but a few minutes in the Home, or, still better, in the Church, before the service begins will be sufficient to get a clear grasp of its meaning. It has been bound and printed in such form as to be readily carried, and contains the Canticles, so that to those who know the Prayers no other book but one containing the Hymns would be necessary.

Recommendations and Extracts from Reviews.

"The book seems to be admirably adapted for its purpose, and I trust it will have a very wide usefulness."—BISHOP OF DURHAM.

"This is the kind of book which I have long wished to have for use in Church, and after using it I find it a real help."—DR. LOOK.

"I am very glad to have it and shall try to use it. It appears to answer what people much want—a real guide to the meaning of Psalms for practical purposes."—ARCHDEACON MACKARNESS.

"A delightful little book, not a commentary or a fresh translation, but simply an intelligent and natural explanation of the Prayer-Book Psalter."—*Scottish Guardian*.

"A most timely and practical volume."—*Rock*.

"Here an attempt has been made to give us the Psalter in its up-to-date setting. . . . Psalms are suitably divided in accordance with the subjects treated."—*Life of Faith*.

IN A MINSTER GARDEN.

A CAUSERIE OF THE OLD TIME AND THE NEW.

By the DEAN OF ELY.

A Charming Succession of Gossiping Chapters.

With many quaint and picturesque Illustrations of the Clooks and Corners of Ely Cathedral and its Surroundings.

"A delightful book; contains numerous pleasing illustrations of Ely Minster and garden, and the cover is tastefully designed."—*Church Bells*.

"It is a book to possess and dip into very often, betraying the personality of the writer, and teaching much that is well worth learning of the past, especially that past connected with the old minster."—*Bookman*.

"In this volume Dean Stubbs reveals himself as a verse writer of no mean ability."—*Globe*.

"Succeeds in bringing before us the wealth of historical, legendary, literary, and scenic material connected with Ely."—*Daily Graphic*.

"A book which has infused into it the charm and the calm restfulness of the cathedral close. The Dean gives us an olla-podrida of history, poetry, anecdote and dialogue. There is a mingled flavour of scholarship, music, antiquarianism, and love of nature. Charmingly illustrated with features of beauty-spots of the cathedral and its surroundings."—*Christian World*.

THE ANCESTRY OF RANDALL THOMAS DAVIDSON, D.D.

(Archbishop of Canterbury).

A Chapter in Scottish Biography.

BY THE REV. ADAM PHILIP, M.A., LONGFORGAN.

EXTRACT FROM PREFACE.

The accession to the See of Canterbury of a Scotsman, the second within a generation, is an event of some interest to his countrymen. Amongst his English friends and admirers, there must be those who would like to know the streams of life and thought that have helped to form and enrich the Primate.

This sketch is intended to meet such a wish. If it tells of men who have lived and acted in less prominent spheres of service, it also speaks of men who had an intelligent and generous outlook on life, of men who fought bravely for the truth of God, and stood up fearlessly for the rights of the Christian people.

"An interesting account of the family of the Primate."—*Standard*.

"Many historians in the days to come will have recourse to Mr. Philip's beautiful and absolutely reliable volume."—*Expository Times*.
