"THE NEWS."—TO OUR READERS.

THE NEWS has reached the thirtieth anniversary of its most successful career as a National Church Newspaper.

THE NEWS is not merely, or chiefly, an ecclesiastical paper. It addresses itself, not only to the clergy, but to thoughtful laymen of all classes. It discusses topics of religious, national, and social interest, and aims to elevate the politics of home-life.

But THE NEWS will best speak for itself. Our readers are heartily thanked for the abundant proof they have given us of their constant interest in it by naming it to others, till we believe it occupies the foremost position in circulation as an Evangelical Church organ.

At the same time there is always room for progress; and now the winter evenings have come we shall be glad if *each reader will*, during the present month, try to *win another*. There is no Home Religious Society work, sustained by large funds, more important than that which the Press might accomplish. As an illustration, in the matter of the Church Congress alone, THE NEWS, during the past quarter of a century, has circulated papers read at the Congress to the extent of *many hundreds of thousands* of copies. Indeed, it is only in this way—by the free services of the Press—that readers generally *could* be reached. A thousand or two may hear the readers and speakers, but the Press alone carries the most important papers throughout the entire country. For many years we know the secular journals altogether ignored the Congress, or gave it a single paragraph; the *Times* now devotes several columns to it; but the *main* circulation depends, and must depend, on such Home journals as THE NEWS. If our readers will order a supply of extra copies of the issue, and introduce them to friends, or post them "over the sea," they may easily increase the influence of the paper tenfold.

The Press has been justly termed "God's modern miracle." The world may not be governed *by* it, but it is governed *through* it—politically and educationally. Let us strive to turn this mighty power, *morally* and *religiously*, into a right channel. We spend hundreds of thousands of pounds in building cathedrals and churches; but the Press is practically a *costless* machinery for reaching the people who are seldom, if ever, found in our churches. We hear much just now about "Religious Education" in the Schools. Who can estimate the religious influence in a family exercised by the weekly perusal of a Christian newspaper? Is it not worth a strenuous effort to promote and extend a movement which will, we hope, increasingly show that the Printing Press is indeed "the Church's Lever"?

"The News."
