NORTH-WESTERN CANADA

A new British nation rapidly coming into existence is crying out for the Gospel. Tens of thousands of settlers, nearly all poor, and scattered over a vast plain, cannot at first provide themselves with the means of grace.

THE COLONIAL AND CONTINENTAL CHURCH SOCIETY

appeals for **£42,000** to send Clergy and Lay-Readers. ARCHDEACON LLOYD'S well-known work needs to be repeated twenty times over.

£70 a year for 3 years will keep a lay-reader at work, £20 will provide his passage, £30 his little wooden "shack."
£70 a year for 7 years will set on foot a self-supporting district.

The need is immediate. It is now or never. The men are volunteering; are they to be kept back for want of means?

Contributions should be sent to the Rev. J. D. MULLINS, Secretary, C.C.C.S.,
9, Serjeant's Inn, Fleet Street, E.C., or to local Secretaries.

THE SELF-INTERPRETATION OF JESUS CHRIST.

Study of the Messianic Consciousness as reflected in the Synoptics.

By the Rev. G. S. STREATFEILD, M.A.

"This is a very useful piece of work, and Mr. Streatfeild has carried out his task in a very satisfactory manner. . . . We have read his book with much satisfaction."

Church Times.

"Mr. Streatfeild deals with supremely vital questions connected with the Person of Christ. He has given us a most useful and valuable piece of work. It is written in full view of the latest criticism; it is marked by great clearness of statement and cogency of argument; its footnotes reveal wide reading and a thorough knowledge of the present condition of the problem; while its vigorous presentation of the subject is undeniably attractive. This book is just the one to put into the hands of thoughtful men and women who want not merely to know the answer to a great deal of current criticism, but to have in a convenient form the latest, strongest, and best arguments for Christianity."

Rev. Principal W. H. Griffith Thomas, D.D.

ANCIENT TYRE AND MODERN ENGLAND. By PHILO-ANGLICANUS.

The object of this book is to point out the analogies which exist between Ancient Tyre and Modern England—an idea which is found in the sonnets of Newman and Keble in the "Lyra Apostolica."

"The author draws up a very grave indictment and sounds a grave warning. He is a very excellent student and an able and interesting writer."—*Christian Commonwealth*.

20th CENTURY LOLLARDS.

Have you ever considered what is being done for the 23,000 villages of Old England? Kensit's Wickliffe Preachers take the Word of God to these dark places. These Twentieth Century Lollards obey the Scriptural commands to "Preach the Gospel" and "Contend for the Faith."

MOST HATED

Of Protestant Workers, they are the most hated by Ritualists and Romanists. Rome always has hated, and always will hate, the Light. Hence the carnal enmity to those who shed Light and Truth.

MOST PRAYED FOR.

But countless numbers praise God for their faithful testimony. These preachers go wherever the Lord opens a door. The loving prayers of God's people follow them. This is the secret of their wonderful success.

MOST SUCCESSFUL.

Only eternity will reveal what they have accomplished. Many have been rescued from the snare of Rome. Thousands have been graciously led into the Higher Life. Whilst you read this they are labouring in some needy place.

Will you please help these Faithful Witnesses?

J. A. KENSIT, Secretary, 18, Paternoster Row, E.C.

NATIONAL CHURCH LEAGUE.

(The Church of England League & National Protestant
Church Union.)

'CATHOLIC APOSTOLIC, REFORMED, PROTESTANT.'

President—W. D. CRUDDAS, Esq. Chairman of Council—THE REV. PREBENDARY WEBB-PEPLOE
Chairman of Executive—THE VERY REV. THE DEAN OF CANTERBURY.

THE NATIONAL CHURCH LEAGUE has been formed by the amalgamation of the Church of England League and the National Protestant Church Union.

These Societies have been engaged for many years in the defence and promotion of the Reformed Faith of the Church of England, and have now joined forces for the continuance of the same work.

It is the aim of the LEAGUE to maintain the comprehensive character of the Church of England in the broad and tolerant spirit which has been its glory in the past, while at the same time repudiating errors such as those which the recent Report of the Royal Commission on Ecclesiastical Discipline has shown to prevail to an increasing extent in the Church.

The LEAGUE carries on its work on educational and spiritual lines. It sets forward works of piety and charity in cordial co-operation with all parochial clergy who are faithful to the principles of the English Reformation.

It aims at founding and supporting schools, Training Colleges, and religious institutions for inculcating, spreading, and defending those principles.

It supports the authorities of the National Church in the maintenance of the law, it upholds the Prayer Book and Articles as the standard of doctrine and worship in the Church of England, and opposes the introduction into the services of the Church of anything inconsistent therewith.

It organizes sermons and courses of lectures on Church History and the Prayer Book, establishes branches and arranges Meetings throughout the country, and publishes and circulates literature bearing on Church questions.

Membership of the LEAGUE is open only to members of the Church of England.

The League is not a narrow, a party, or a political Society.

**Funds are Urgently Needed for the Maintenance and
Extension of its Work.**

"FOR CHRIST AND THE CHURCH."

The object of a CHRISTIAN ENDEAVOUR SOCIETY is:—

To band together the young people of the Congregation for the purpose of (1) Promoting among them an earnest Christian life; (2) Increasing their mutual acquaintance; and (3) Making them more useful in the service of God.

A Society usually holds weekly meetings for Prayer, Bible-study, Testimony, Mutual Help and Instruction, and Training in Christian Service.

THE CHURCH OF ENGLAND UNION OF CHRISTIAN ENDEAVOUR is a Union of all affiliated Church of England Societies.

It arranges occasional rallies, and publishes and circulates literature relating to Christian Endeavour in the Church of England.

THE EAST & THE WEST.

A Quarterly Review for the Study of Missions.

The Archbishop of Canterbury says: "I rejoice to hear that a fresh effort is to be made to increase the already large circulation of what is *indisputably our foremost missionary magazine*, 'THE EAST AND THE WEST.' From the first 'THE EAST AND THE WEST' has been able to evoke and stimulate the interest of many people who were perhaps disinclined to give much time or attention to such questions. It has also been of the greatest advantage to those who are already familiar with the subject by bringing fresh light to bear from many different quarters upon the problems and perplexities of our endeavour. *I should like to see its circulation increased tenfold.*"
