Spanish & Portuguese Church Aid Society,

CHURCH HOUSE, DEAN'S YARD, WESTMINSTER, S.W.1

President Right Rev. Bishop Ingham, D.D.
Chairman of Committee William McCall, Esq.

THE SPANISH & PORTUGUESE CHURCH-AID SOCIETY endeavours to help the work of the native Evangelical Churches, whose members are unable to accept the unlawful terms of Communion imposed by the Church of Rome. Their work is self-denying and progressive. In town and country they have congregations and schools, and conduct Mission Services. Never at any time were the countries so open to their efforts, and they report sympathy where they formerly met open opposition and persecution. Spain and Portugal were for centuries closed to the circulation of the Scriptures. Through the influence of the printed page and faithful Evangelistic efforts the Churches have come into existence, and all who have visited them testify to their zeal and devotion.

CONTRIBUTIONS, which are urgently needed, will be gratefully received by the Rev. C. F. FISON, M.A., Hon. Finance Secretary; or by the Rev. THOS. J. PULVERTAFT, Editorial and Consulting Sec., Church House, Dean's Yard, Westminster, S.W.1.

Wiping away tears.

For over 60 years the work of the British Home and Hospital for Incurables has been maintained by those anxious to "wipe away tears." Theirs has been a gracious ministry. It has removed long standing and constant anxiety. It has given hope to the hopeless, help to the helpless, a home to the homeless, the garment of praise for the spirit of heaviness.

Naturally, as the years go by, old friends of this work of mercy pass away. The need for our efforts does not pass away, however. It is greater now than hitherto. Many incurable sufferers are waiting for the time to come when we shall be able to give them a home or pension for the remainder of their days. Therefore, we badly need new supporters. Will you become one?

Please remember that this Institution, in which the Queen Mother takes such great personal interest, is for Middle Class people only—men and women of education and refinement who shrink from the idea of asking for charity and who, unaided, must inevitably sink into destitution and despair.
