_Late President_ . . Right Rev. Bishop Ingham, D.D.
_Chairman of Committee_ . . W. H. Patchell, Esq.

THE SPANISH & PORTUGUESE CHURCH AID SOCIETY endeavours to help the work of the native Evangelical Churches, whose members are unable to accept the unlawful terms of Communion imposed by the Church of Rome. Their work is self-denying and progressive. In town and country they have congregations and schools, and conduct Mission Services. Never at any time were the countries so open to their efforts, and they report sympathy where they formerly met open opposition and persecution. Spain and Portugal were for centuries closed to the circulation of the Scriptures. Through the influence of the printed page and faithful Evangelistic efforts the Churches have come into existence, and all who have visited them testify to their zeal and devotion.

CONTRIBUTIONS, which are urgently needed, will be gratefully received by W. J. MacANDREW, Esq., Hon. Finance Secretary; or by the Rev. THOS. J. PULVERTAFT, Editorial and Consulting Sec., Church House, Dean's Yard, Westminster, S.W.1.
3 URGENT NEEDS.

£1,000 to complete the Chapel Endowment Fund.

£5,000 to complete "The Queen Alexandra Augmentation of Pensions Fund." All the Pensions have now been increased from £20 to £26 per annum, so that a larger income is necessary.

£1,000 in New and Increased Subscriptions.

The plea is on behalf of incurable sufferers of the Middle Class—men and women of education and refinement who have fallen on evil days. They are slow to plead for themselves. Their sad helpless condition is a plea—and a very powerful plea—to your sympathy and generous help. Will you respond?

Our Own People Overseas

Personal devotion to our Lord Jesus Christ implies willingness to obey His Commands.

The Command to witness for Him to the uttermost parts of the earth is laid upon His disciples.

To every part of the world our own people have gone forth. Their witness is of supreme importance to the task of world evangelization.

Their need of spiritual ministrations is greater than ours who remain at home. In too many cases that need is not being met. Unless it is met, a great part of the Missionary activity of the Church must go to waste.

THE COLONIAL & CONTINENTAL CHURCH SOCIETY,

9 Serjeants' Inn, Fleet Street, London, E.C.4,

is meeting some of the needs. It is anxious to do more.

PUBLISHING DEPARTMENT
JERUSALEM, 1928.

AT THE MEETINGS OF
THE INTERNATIONAL MISSIONARY COUNCIL
on the Mount of Olives, March 24th—April 8th, the following testimonies were given to the importance and value of

WORK AMONG WOMEN

"The real issues of human life are in the hands of the women—the mothers of the generation to come."—Dr. ROBERT SPEER (U.S.A).

"Confucianism is not enough for the women of China. We look to the Christian message for the emancipation of womanhood."—Miss P. S. TSANG (China).

"We cannot go through the streets of any oriental city without seeing that Christ's teaching about women has not yet permeated."—Mrs. R. SPEER (U.S.A).

The Bishop of Manchester stressed the enormous influence of women on the coming generations. It is this influence which the

Church of England Zenana Missionary Society

is seeking to win for Christ in India, Ceylon, China and Singapore, by means of women Evangelists, Educationists, Doctors, and Nurses.

To extend the work into vast untouched areas, the Society needs greatly increased resources in recruits and funds.

Please pray that these may be forthcoming, and add to your prayers sacrificial giving.

Offers of Service and Contributions should be sent to the Secretaries, C.E.Z.M.S., 27 Chancery Lane, LONDON, W.C.2.
