THE SPANISH & PORTUGUESE CHURCH AID SOCIETY endeavours to help the work of the native Evangelical Churches, whose members are unable to accept the unlawful terms of Communion imposed by the Church of Rome. Their work is self-denying and progressive. In town and country they have congregations and schools, and conduct Mission Services. Never at any time were the countries so open to their efforts, and they report sympathy where they formerly met open opposition and persecution. Spain and Portugal were for centuries closed to the circulation of the Scriptures. Through the influence of the printed page and faithful Evangelistic efforts the Churches have come into existence, and all who have visited them testify to their zeal and devotion.

CONTRIBUTIONS, which are urgently needed, will be gratefully received by W. J. MacANDREW, Esq., Hon. Finance Secretary; or by the Rev. THOS. J. PULVERTAFT, Editorial and Consulting Sec., Church House, Dean's Yard, Westminster, S.W.1.

GEORGINA A. GOLLOCK.		
Notable men have served at home on behalf of the overseas work of the Church, but biographies of them are rare. This book contains boldly conceived studies of Dr. Stock's contribution in this sphere, as Churchman, historian, editor, administrator and speaker. He is seen against a background of the larger movements of his time, and in his relations with the younger generation, to have been not merely a bridge-builder, but a bridge.

# Incurable

- ¶ Men and Women of the **Middle Class** are daily incapacitated by incurable disease brought on by innumerable causes, such as overwork, worry, anxiety, accidents, &c., &c.
- ¶ Such sufferers have been the care and concern of this Institution since the year 1861.
- ¶ There are 103 patients in the Home and Hospital at Streatham. The number of pensioners each receiving £26 a year is 311.
- ¶ Increased funds are greatly needed. Will you not help in this work of mercy? It is for a most deserving class—for those who have lost their all in fruitless efforts to regain health and retain independence.

Contributions will be gratefully acknowledged  
by Edgar Penman, Secretary,  
77 Cheapside, London, E.C.2.
