Lands of the Bible

Jesus had not where to lay His head.

TO-DAY

Thousands of Armenian Christians are in a pitiful condition.

NO FOOD, NO WORK.

Soup Kitchens are providing Soup and Bread.

PLEASE HELP TO FEED THE STARVING.

ALSO

In Syria and Greece the Governments are pulling down the wretched unhealthy huts and hovels. We provide bricks and timber if they can do the work, but many families have no man and we must do the building also.

FOR FOOD or SHELTER please help.

NATIVE GIRLS.

The whole Moravian Church is its own Missionary Society

Let it be gratefully placed on record that out of the home members of the Moravian Church the proportion of those who labour in the Mission Fields is one in seventy-five as compared with one in five thousand in the churches generally. The native members in the Mission Field outnumber the parent Church by three to one.

Western Canada Calling

It is impossible to exaggerate the immensity of the disaster which has overtaken large parts of Southern Alberta, Southern Saskatchewan and parts of Manitoba. Not less than 60,000 families must look to the Dominion Government for relief. In the midst of it all, the patience and hope of the people and the self-sacrifice of the mission clergy are inspiring to a degree. Without the help of friends in more prosperous circumstances, some missions must close.

If you are able to help in any way, please send your gift to The Secretary.
