advises any clergyman to be teetotal. He simply
offers an example. He says—

'Let us go forth 'mong men, not mailed in scorn,
But in the armour of a pure intent;
Great duties are before us, and great songs,
And whether crowned or crownless, when we fall
It matters not, so as God's work be done.'

But Dr. Pereira touches more than the heart of
his subject. His book is a convenient and com­
petent guide to every part of it.

Messrs. Longmans have published a sixpenny
edition of Bishop Gore's Roman Catholic Claims.
