

to assist in promoting the formation of these. This can be effected most easily by means of a public meeting. The central office will be at all times ready to assist in every possible way. It will be borne in mind that the sum of money required yearly is not large, and that the Committee desire only to secure a sufficient number of small subscribers. At one or two local societies, for example, a five shilling annual subscription only has been asked for. It may here be mentioned that annual subscribers of a guinea, or collectors of that amount, are entitled, by a recent rule, to obtain annually three of the photographs of the Fund, on application at the office of the Society, and on payment of the postage.

#### COLLECTING CARDS.

These are prepared for any friends of the Society who may be willing to assist in this way. Ladies who have leisure are specially invited to undertake these. Collectors may inform subscribers that the Reports are published for all alike, whatever the amount of the subscription. Shilling and half-crown subscriptions are recommended. It is requested that the cards may be returned and exchanged for new ones every three months.

#### PHOTOGRAPHS.

THESE are now 349 in number, many of them being of places never before taken. They include, among others, views of the ruins of Teh Hum (Capernaum), Kerazeh (Chorazin), Jerash, (Gerasa), Kedes (Kedesh), and Sebastiyeh (Samaria); many spots in and round Jerusalem, Hebron, Damascus, &c.; and the district of Nablus, Gennesareth, &c.

They are sold, mounted, at 1s. 6d. each to non-subscribers, and to annual subscribers of one guinea or donor of £10, at 1s. each.

It is hoped that from the sale of these photographs a steady profit may accrue to the Society. Owing to the large sum required to lay in a stock of these photographs, which is at present about £250 in excess of the amount paid the Society for their sale, no

profit has yet been made. Agents have, however, been appointed, and the Committee will be glad to appoint agents in every town in Great Britain.

The following is a list of the Society's Agents:—

The Committee will be glad to appoint more agents, and take this opportunity of drawing the attention of their subscribers to the photographs as a means of helping the Society. The photographs are the cheapest series published of the Holy Land. Very many are of places never before taken, and are of great interest. The terms of agency are so arranged that the agent runs no risk whatever beyond the safe custody of the views. It is particularly requested that agents will send in a statement of accounts to the Secretary before December 31 and June 30, for views supplied and sold during the preceding six months. It is also requested that if agents find a delay of more than a fortnight between the despatch of an order and its execution, they will state the facts to the Secretary.

List of photographs may be had on application.
