The Palestine Pilgrims' Text Society are now issuing their first "Pilgrim." It is the Journey of Antoninus Martyr, with an introduction and notes by Sir Charles Wilson. It has been arranged to have a map showing the route taken by each Pilgrim. The next tractate will be the Journey of Sancta Paula, who will be shortly followed by the Bordeaux Pilgrim, and next, by a translation of the Norman-French Description of the City of Jerusalem.

---

The income of the Society, from June 26th to September 26th, 1884, inclusive, was £743 8s. 8d. On October 6th the balance in the Banks was £260 18s. 6d.

---

It is suggested to subscribers that the safest and most convenient manner of paying subscriptions is through a Bank. Many subscribers have adopted this method, which removes the danger of loss or miscarriage, and renders unnecessary the acknowledgment by official receipt and letter.

---

Subscribers who do not receive the *Quarterly Statement* regularly, are asked to send a note to the Secretary. Great care is taken to forward each number to all who are entitled to receive it, but changes of address and other causes give rise occasionally to omissions.

---

While desiring to give every publicity to proposed identifications and other theories advanced by officers of the Fund and contributors to the pages of the *Quarterly Statement*, the Committee wish it to be distinctly understood that by publishing them in the *Quarterly Statement* they neither sanction nor adopt them.
