The visit of Sir Charles Wilson to the excavations at Tell Zakariya and to many of the Jewish colonies in the course of his journey through Palestine, as well as his travels in Moab and Edom, are of great interest. He has kindly promised to contribute some notes on his journey to the next *Quarterly Statement*.

---

A number of moulds of the various objects found in the excavations have been received at the office of the Fund, consisting of inscribed weights, jar-handles, scarabs, &c. They can be seen, and casts of several can be obtained, on application to Mr. Armstrong.
