

# Theses

In the three issues of Vol. 13, we listed theses published up to mid-1983 (the earliest is dated 1930). From Vol. 14 onwards, we are now supplementing and updating this list regularly.

For ease of reference, the list has been subdivided according to subject: firstly by country, secondly by denomination, and thirdly by author's surname in alphabetical order. In this issue, we publish the following categories: Poland, Czechoslovakia, Hungary, Yugoslavia, China, Vietnam and Liberation Theology.

Some titles appear in more than one section; these are indicated by an asterisk. All theses are for the PhD degree unless otherwise indicated. In a few cases, a short explanation of the thesis title has been added if its relevance to the section in which it is included is not immediately obvious. The abstract number appended to each entry refers to *Dissertation Abstracts International*; the items refer to the volume, issue and page number of a particular abstract.

This list has been compiled by Dr Mark Elliott of Asbury College, Kentucky, who retains full rights. The author wishes to thank Professor William Toll and Miss Cindy Zanzow of Asbury College for their assistance with computer programming. The author would appreciate readers' corrections and additions.
