## APPENDIX

### Scope

The bibliography records books, pamphlets, articles, essays, postgraduate theses, and major internet resources on the history of British and Irish Methodism which are written in English or other Western European languages. Although each listing focuses on works which appeared during the previous calendar year, omissions from earlier listings are made good, back to 1974 (the first year for which the bibliography was issued).

Items dealing with British and Irish overseas missions, and the native churches which they gave rise to, are only included to the extent that they cast light on Methodist developments in the British Isles. Coverage of chapel and circuit histories is restricted, in the main, to publications of more than fifty pages, unless of special significance. Other works of an ephemeral or substantially non-historical nature are also mostly overlooked.

### Acknowledgements

As usual, the compiler is indebted to a number of individuals who have supplied copies or details of particular items. This year they comprise: Rev. John Allison, Owen Covick, Colin Dews, Dr Peter Forsaith, Roger Hailwood, John Harding, Prof. Terry Muck, and Prof. Isabel Rivers. Continued thanks are due to Dr Lionel Madden, who has again conducted extensive research on Welsh publications specifically for this bibliography, and who is responsible for several of the Welsh references; and to Rev. Robin Roddie for his invaluable bibliographies of Irish Methodist history, published annually in *Bulletin of the Methodist Historical Society of Ireland* (no. 5).

### Correspondence

The compiler can be contacted by email at [c.d.field@bham.ac.uk](mailto:c.d.field@bham.ac.uk) or by post at 35 Elvetham Road, Edgbaston, Birmingham, B15 2LZ, United Kingdom. He welcomes suggestions of items for inclusion in future bibliographies.
